

Rain or shine, whether he's the greatest or a big mistake, The Hampshire Bookshop is a good place to bring your date for some of those spare minutes which are bound to turn up on almost any weekend. Your dates enjoy coming to The Hampshire Bookshop, too. We know because we see them in here every weekend. They like to show off their knowledge to you or to laugh over our cartoon books with you.....or both. This, by the way, lets you test their brains and their sense of humor. At The Hampshire Bookshop you can let your date pick one of our famous hand-woven ties and give it to him as a memento of the weekend, for only \$1.50. And who knows? He might get you that copy of Mrs. Lindbergh's book you've wanted. But you don't have to buy to browse at The Hampshire Bookshop. We encourage browsers. Whether he's your one and only or it's just for fun, he'll enjoy a visit to The Hampshire Bookshop.....so bring him down; we're always glad to see you.

Let us state, whether he is the greatest or a big mistake, The Hampshire
Bookshop is a good place to bring your date for some of those spare minutes
which are bound to turn up on almost any weekend. Your dates enjoy coming
to The Hampshire Bookshop, too. We know because we see them in here every
weekend. They like to show off their knowledge to you or to laugh over our
certain books with you.....or both. This, by the way, lets you test their
fines and their sense of humor. At The Hampshire Bookshop you can let
your date pick one of our famous hand-woven ties and give it to him as a
memento of the weekend, for only \$1.50. And who knows? He might get you
that copy of Mrs. Lindbergh's book you've wanted. But you don't have to
try to browse at The Hampshire Bookshop. We encourage browsers. Whether
it's your one and only or it's just for fun, he'll enjoy a visit to The
